The General Assembly of Virginia yesterday convened after the recess—that is, to say, nominally convened—for their were present but a handful of the membership of either body, and no business could be disposed of. The House made a pretense of business by reading saveral bills, but the Senate did not even alternet to do business. Both houses adjourned until noon to-day.

When the House was called to order at noon by Speaker Ryan there were but fitten members present, and the session lasted but a few moments.

The Governor communicated the resignations of Judge B. J. Epes, of Dinwiddle: A. X. Monteiro, of tioochiand, and E. M. Ware, of Essex, they having been elected Common wealth's Attorneys for their respective counties. The beautiful new red carpet placed on the floor of the hall during the recess by orders of Governor Montague and Colonel Richardson gave the room an improved appearance, and the innovation was warmly praised by all present. The Legislature will undoubtedly pass the bill offered by Mr. Read, of Mecklenburg, appropriating \$500 for this purpose.

Several bills on their second reading were read a third time by the clerk before adjournment.

The only member of the minority on the floor yesterday was Hon. C. A. Heermans, of Montgomery, who is always a faithful attendant upon the session of the body. The Lipuse at 12:15 o'clock adjourned and in position of the sentent was called to order at noon yesterday. Clerk Button and Assistant Clerks Lynch and Mann, Sergeant-at-Arms Watkins, Doorkeeper Donald and Librarian Wilson and the pages were all in their places.
